"On The Move"

Planes, Trains, Automobiles, Bikes, Rockets, and lots more! This year's integrated theme, "On the Move," is all about being on the go. Play computer games, watch movies, ride a bike, join in the fun activities in the gym and library, see the local sights, take a dip in the lovely pool, and lots more. For the first time this year we will be hosting the junior groups at our fantastic Early Childhood Center, and adding reading and language building activities for both our ESL and native English speakers.

Dates and Times

Dates: Monday, June 8th through Friday, June 26th

Times: Full Day 8AM - 3PM

We are happy to run a 3 week Summer Camp again this year, and we have decided on a full day only format so that no campers miss out on any activities. (Campers needing to leave early may do so with parents' permission; however, no early buses will be available.)

Great Food

Included in the camp fee is a delicious camp lunch, which will satisfy the hungry tummies of even our most energetic campers.
